Martin Lewis

My Vicinage

Our street is very cool,
There's hardly any trouble
On our street.
There aren't enough recreation centers
In our part of Dorchester.
I think Mayor White
Ought to build some
That's why you see dudes
Who don't have jobs
Just wandering on the streets
Bumming cigarettes and money,
They may end up robbing
One of the many
Varieties and groceries.
In Mattapan-Dorchester,
There's a rehabilitation center
Across the street from me
In summers we go there
To play football or basketball
They always give you
A pugnacious look,
But it's only a bluff.
I think the area has too many cars,
And they use Blue Hill Avenue
As if it were
The Indianapolis 500,
Causing injuries and death.
Dorchester-Mattapan are also
Missing quite a few houses
But I still like living
Here in this area.

Martin Lewis

Headmaster's Message

For the past three years our graduates, though establishing an identity and a tradition at Westie carried with them many remembrances and accomplishments from "Old Rossie" High. However, such is not the case with you, the class of 1980. Your remembrances and accomplishments are all from Westie, and truly magnificent they are.

The tradition that you have established and nurtured and thus, bequeath to future classes is a proud one. West Roxbury High through your hard work, determination, spirit and respect for human dignity has developed a proud and unique character that allows us to stand alone, second to none.

You have endured changes, uncertainties, and at times turmoil. Not only have you met these challenges, but you have succeeded in your studies and progressed in your growth. You and I know this has not always been an easy task and the future poses no easier tasks. I am confident, however, that you will face the future intelligently and sensitively. It is with pride that I congratulate and thank the class of 1980. I await your leadership, for you must now assume your position as a contributing factor to society.

If I leave here tomorrow,
Would you still remember me?
For I must be traveling on now,
There's too many places I've got to see.
Cause I'm as free as a bird now,
And this bird you can not change.

George Barnwell on a tough play.

The Raiders had a tough season this year and they pulled through with a record of 6-4. One of the most exciting games was against Hyde Park which they won 21-0. There was a lot of talent on the team which will be missed next year. Under the excellent coaching of Leo Sybertz, Roger Harris and John Conley the boys worked hard and their dedication showed in their winning. George Survillo, Jeffrey Caffee, and Ed Sprissler also helped out during the season.
